SUPPLEMENTAL RESPONSE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313

Sir:

This is in response to the Official Action mailed January 22, 2009 and the Examiner's further helpful comments in the interviews regarding the rejections.

In particular, the Examiner requested that the GC-MS data previously provided with the Response filed November 27, 2008 be entered in the record as evidence submitted by way of a Declaration under 37 CFR §1.132. The Applicants now submit this data by way of a Declaration under 37 CFR §1.132 consistent with the Examiner's helpful guidance. The Applicants confirm that the Declarant's name is Dominique Davenne, not "Davenne Dominique" as listed in the Declaration title.

The Applicants now respectfully request entry of the proposed Examiner's Amendment discussed in the interviews with the Examiner.

The Applicants also respectfully submit, that once the proposed Examiner's Amendment has been entered, the entire application will be in condition for allowance, which is respectfully requested.

Respectfully submitted,

T. Daniel Christenbury
